VOL. IV, NO. 35

APRIL 7, 1952

## "ALL MY SONS" MEN AT WORK

Tuesday, 7:30, will see the walls of the Keller house go up on the stage of the BNL theatre. This is a preliminary laying out of the set; it will give definite boundaries to the playing areas and prevent the actors from practising walking through space where walls will rise.

Ed Sayre is straw-boss of the construction gang. He will need strong backs and willing hands to hoist the 15-ft. flats into place and bolt them down. Would-be carpenters and painters will be signed up that night to hammer and daub away at the set for the final production.

That's Tuesday, 7:30, at the theatre.

## LAWN CARE AND MAINTENANCE

Copies of the pamphlet put out by E. Hunter on the above subject are available at the Recreation Office, 3 Center St.

## CAMERA CLUB

The next meeting of the Camera Club will be held on April 9th at 8:00 P.M. in the lounge of the York Lane Recreation Hall. The topic for discussion will be print criticism. Bring along your prints, of any size, and transparencies for helpful criticism.

## SOFTBALL MEETING

There will be a softball meeting on Wednesday, April 9th, at 12:00 noon for last year's team representatives and any others interested in entering a team in the Softball League.
